

HO HO HOME BUILDING

for the

HOLIDAYS

JOIN RCEC AND RHBA IN ENCOURAGING THE NEXT GENERATION OF TRADESPEOPLE

enrolled in the building program in District 211, including students attending
Conant, Fremd, Hoffman Estates, Palatine, and Schaumburg high schools.

As we gather and rejoice with friends during the holidays, make the season merry for these
aspiring young builders. A small gift—work gloves, a winter hat, sweatshirt, or bright-colored
long-sleeve safety shirt—will make a huge difference during this cold weather season.

In addition to warm work attire, donations to help towards
the costs of new work boots, program t-shirts and tools, as well
as gift cards to Walmart, Target, & Aldi are also appreciated.

Please bring your gift, or a monetary donation, to our holiday party
